The main is Service Time Expected Tipe Candidates.

The discitor for improvay Pessident of the New York/Central Railroad Company mas not yet taken place, and it is now grasely doubted whether a choice will be made before the regular mesting of the decheholders in December Sext. At all events, the subject is held in Ordinare to the working out of certain combinations which I will briefly and comprehenoityly set forth, so far as they have a reliable bearing upon the choice of permanent President.
